Sprint 4 Report

Actions to stop doing:
N/A

Actions to start doing:
Checking the work progress of other members frequently.
Informing other team members when not sure how to approach a task
Updating the burn-up charts frequently.

Actions to keep doing:
Communicating
Asking each other for help
Learning javascript/react-native
How to use firebase effectively

Work completed:

- **As a user, I want to make sure the application runs smoothly at all times.**
- **As a doctor, I want to be able to write the prescriptions so that patients can have the prescriptions list.**
- **As a patient, I want to be able to see my prescription list so that I can pick them up at a pharmacy.**
- **As a user, I want to have a clean and user-friendly UI design for all pages.**

Work not completed:

- **As a patient, I want to have a check-in feature so that I don't need to do lots of paper-work.**
- **As a receptionist, I want to have a check-in feature so that I can know who has arrived.**

• **Work completion rate**:

Total number of user stories completed: 4
Total number of estimated ideal work hours completed: 80
Total number of days: 14
User stories/day: 0.3
Ideal work hours/day: 1-2(for each group member)
